Dear Parent,

Subject: **Urgent Appeal for Donations: Support Baby Malkha Rouhi's Treatment**

We urgently appeal for your support in helping Baby Malkha Rouhi, a four month old Indian child diagnosed with SMA (Spinal Muscular Atrophy) Type 1 disease. This severe neuromuscular condition requires immediate and costly treatment.

Baby Malkha's plea is registered with Qatar Charity (Case No: 206863). In response, Qatar Charity has generously placed donation boxes on each floor of our school, from 13th May to May 22nd, 2024.

We encourage you to inspire your child to contribute to these donation boxes during this period. Even the smallest donation can make a significant difference in Baby Malkha's life, offering her hope and a life of wellness. Let us unite as a compassionate community and extend our support to Baby Malkha in her time of need.

Thank you for your kindness and generosity.
