

Birla Public School, Doha-Qatar
Circular

Dear Parent,

Subject: - Birlite's Expressions - School Magazine, 2024 - Invitation to students of Grades I to XII.

We are pleased to inform you that the school magazine, "*Birlite's Expressions*", is scheduled to be released for the academic year 2024-'25.

In connection with this, we would like you to encourage your child to contribute his /her original works to make the magazine a repository of creative thoughts and artistic excellence!

Here are the guidelines for the students' contributions:

1. Students contributions can be their **Original** literary works in English, or languages given below:
 - a. Hindi
 - b. Malayalam
 - c. Telugu
 - d. Tamil
 - e. Sanskrit
 - f. Arabic
 - g. Urdu
 - h. French
 - i. German
2. **Artwork:** Painting, Pencil Drawing or Pen Work

Guidelines for students' contributions to the school magazine:

1. The student shall not borrow from any source or books. The contribution must be original.
2. Every contribution should have a title.
3. All the English articles must be typed in MS Word and follow the specifications of font Andulus with 14 size for title and Ariel with size 12 for the content.
4. The recent passport size colour photograph (in school uniform), with white background, should be separately attached along with the Bonafide certificate from the parent endorsing that the contribution is the original work of the student. *(Model is attached at the end of this circular).*
5. Name of the Student, Admission number, Class and Division must be clearly mentioned in the work.
6. The student should email all the above only through the school email to the Class Teacher. This is to confirm that only the bps domain users are utilizing this opportunity.

7. Articles of all Second Languages must be emailed to the respective Language teacher and follow all the above directives.
8. Contributions in Art must be emailed, as **JPEG/PDF scanned copies only**, to the respective Art teacher of the grade. Students are required to adhere to the following instructions:
